WindPaddle
Sails & Sun Shades

Hello from *WindPaddle Sails and Shades*. Our sails are sold world-wide and used in all types of water and wind conditions. Because of their light weight, simplicity, ease and speed of launching and efficient design they have become the best-selling kayak and canoe sail the world over.

Our sails perform well because they help a kayak or canoe do what they are best designed to do. Basically remain a paddle craft while sailing off-the-wind without any alteration to your boat. As stated in a recent product review; **“You can use it on any craft and it doesn’t turn a kayak or canoe into a complex, heavy sailing craft.”**

Here’s why *WindPaddle Sails* are now the worlds best selling kayak and canoe sails:

- Connects to **existing deck hardware** (No drilling, fastening, screwing or gluing required)
- Lightweight design
- Safe due to the **low center of effort**
- Switches quickly and easily from boat to boat
- Only sail that works well and fits on folding kayaks and inflatables. We hope you enjoy using our sails.

Nick M. Wiltz (Owner and Inventor)

“SCOUT”

Our newest sail, the *WindPaddle* “Scout” was added to our line-up as an entry level sail to be used in low-medium winds. Solo kayakers will appreciate its ease of use, lightweight and large window. Built for the casual or recreational paddler in mind, the “Scout” is the lightest, most affordable and easiest to use sail currently on the market.

Target boat – Solo rec. boat to Touring kayak, SOT 8 – 15 feet.

Target wind range – 4 to 13 knots

Target paddler – novice to intermediate

Off-wind sailing envelope – approx. 150 degrees

Tech corner: Scout

Deployed diameter - 42" (106.7 cm.)

Coiled/folded diameter - 15" (38.1 cm.)

Sail area - 9.62 sq. ft. (0.8937 sq. m²)

Weight - 12 oz. (0.34 kg.)

Price - \$114.95 USD (MSRP)

“NEW ADVENTURE”

The WindPaddle Adventure has always been the go-to sail for high winds, expeditions and demanding large water or off-shore conditions.

Responding to the desire of paddlers for an even better performing sail, we've upgraded the Adventure for better sailing and more power.

- 25% larger (grown from 42" diameter to 47" dia., 16" coiled/stowed)
- 14 oz.
- Shallower profile for better across-the-wind sailing and sail stability
- 12 sq. ft. of sail area.
- Stiffer batten for better sail shape.
- Softer, bigger sheets/lines for more sailing/hand comfort.
- \$149.95 MSRP

Target boat – Touring and Expedition boats 14' – 18'

Target wind range – 5 – 30 knots (has seen 40+ knots!)

Target paddler – intermediate to expert

Off-wind sailing envelope - +180 degrees

“CRUISER”

The most powerful sail in our lineup, the “**Cruiser**” is intended for larger, heavier boats that need and can handle more power from the wind. At a bit over 1.5 m² the *WindPaddle* “**Cruiser**” has the power to pull along heavier boats loaded with gear or people. This sail retains its shape in high winds and doesn’t turn a kayak or canoe into a complex, heavy sailing craft.

All *WindPaddle* sails launch and fly from the on-deck position. You can swap the sail from boat to boat while out on the water! The sail instantly self-launches from its snug place on the boat, so there's never a need to return to shore to rig or launch this sail!

Target boat – Kayaks, Canoes, Inflatables, Tandems and Expedition boats 14’ – 18’

Target wind range – 5 – 30 knots (2-7 BFT)

Target paddler – intermediate to expert

Off-wind sailing angle - +180 degrees

Tech corner: Cruiser sail

Deployed diameter - 56" (142.24 cm.) Coiled/folded diameter - 20" (50 cm.)

Sail area - 17.1 sq. ft. (1.589 m²)
Weight - 22 oz. (0.6237 kg.)

Wind Range - 4-31 knots of wind. (2-6 BFT)

Price - \$174.95 USD (MSRP)

Colors:

- Red 
- Blue 
- Yellow 

“Sun Shade”

Enjoy the elements on your terms. The Sun Shade is a light-weight, universal canopy for kayaks, canoes and inflatables, and offers both shade and rain shelter for all paddlers while allowing unrestricted movement for paddling, bracing and fishing. Removable while out on the water. (\$119.95 Blue or Gold).
Weight - 2.3 lbs.
